

WELCOME!!

Thank you for purchasing our CORE Kids PE and Wellbeing Portal.
We trust the whole school will thoroughly enjoy using it.

CORE Kids

CORE Kids mission is to inspire millions of people to live a happy, healthy, more fulfilling life. One of our main focuses is to support children, teachers, parents and coaches and provide them with as many positive experiences as possible. In addition to our PE and Wellbeing Portal, we also offer PE Coaching within schools, afterschool programmes, teacher training, holiday camps and much more.

CORE Kids PE and Wellbeing Portal

The portal was officially launched in October 2020. Starting with only 42 follow-along videos, it has grown massively to over 900+ resources, evolving all the time.

Getting Started

Now that you have purchased the portal, you can get stuck in straight away, but first, please read the following to get the most out of the school investment.

- **Same login details for the whole school -**

The email address and password you used to sign up are the exact login details that all teachers in your school will use (no one will have access to your email account, we will be sharing any updates, news and offers via this address).

It is the same login for everyone, and once you log on in the morning, you can remain on the portal all-day, which is brilliant for our movement breaks and wellbeing programs.

- **Book your FREE Online Staff Training**

Click [HERE](#) to book your free online staff training to ensure everyone in your school gets the most out of the portal.

There is also a staff training video on the dashboard that teachers can follow to get them started.

Finally, you must ensure you have **signed off on our invoice for payment** or **raised the order through the EA's iprocurement system***

**Search CORE Kids or Gary Wallace when raising the order.*

Please see below different pricing structures that could help save your school money.
